

The NCW Sun Devils is a select softball and baseball program for youth ages 18 & under. The objectives of the organization are to develop the individual and team skills of young athletes while promoting self-confidence, stressing the values of hard work, team play, and sportsmanship. Our goal is to produce confident young people that will excel on and off the field by being outstanding teammates and citizens of their respective community.

We attempt to make the program as affordable and accessible as possible to every child in North Central Washington. We have players from communities throughout the region. We ARE North Central Washington's select fastpitch and baseball club! Most of our 16U-18U players are the varsity backbones of area high school teams. When you help our program, you are also directly helping high school programs in the area be highly competitive. Your donation has regional impact and visibility!

Where do your donation dollars go?

Player fees:

Our player fees average around \$900 per player per season. It's important to note that player fees are just the tip of the iceberg for family expenses. Each tournament typically cost a family around \$500 in gas, lodging and food expenses. Most of our teams will play 5-7 tournaments per year. Anything we can do to reduce the player fees is extremely helpful for families.

Team costs:

- Registration for softball and baseball sanctioning and insurance cost each team an average of \$600.
- Our older teams use non-parent paid and highly experienced coaches. Their stipend plus expenses (hotel, mileage, and food) can average an additional \$5,000 per season.
- A typical tournament entry fee is \$750 per team (AND RISING).
- Equipment costs include:
 - Batting tee's: \$100
 - Bownets for hitting: \$95
 - Uniform packages: \$150 per player
 - Pitching screens: \$95-\$110
 - Heavy balls: \$50-\$70 per 6
 - Game and practice balls: \$60-80 per dozen
 - Wiffle balls: \$20 per 6
 - Softies for indoor practice: \$50
 - Catcher's gear: \$200-\$400
 - Team bats: \$399-\$499
 - Miscellaneous training equipment: \$20-\$500 (Resistance cords to pitching machines)

Organizational costs:

- Administrative applications (TeamSnap and web) \$700 per season
- Indoor facility for winter workouts (up to \$15,000 per season)
- Miscellaneous expenses to run tryouts and organizational meetings: \$1,000 per season

Other ways to help our program:

- Do you want to be more involved or have an idea that can help us better achieve our mission?
- Do you have or know of empty warehouse space available in the winters? We can write a donation receipt for it!
- Do you know experienced coaching resources that would be willing to help? Depending on the level and experience we may be able to provide compensation.
